The cost of the two properties combined is approximately \$1 for each square foot. Own your desired amount of square feet based on your donation amount!

I wish to donate \$_____ to support the current Campaign to Protect South Point Higgins and Coast Guard Beaches.

KBA is not a 501c(3) so we employ our project partner to collect donations and grant funding.

Make your checks out to Southeast Alaska Land Trust with SPH and CG Beaches Acquisition on the memo line. This money will be held in an interest bearing account. If the beaches are not acquired by KBA, the money will be returned, with interest, to donors.

*Send form and check to:
Southeast Alaska Land Trust
119 Seward Street, Suite 15, Juneau, AK 99801, USA*

You will receive a receipt shortly.

KBA Vision

Supporting community access to beaches and open space through local participation in the land use and planning process.

Campaign Mission

To seek and obtain funding to purchase waterfront properties at Coast Guard and South Point Higgins to provide long term public access through advocacy and education.

Values

KBA believes in the following values that guide organization decisions and actions.

- Recreation areas and open space strengthen communities, improve psychological and physical health, and makes Ketchikan a more attractive place to live and work.
- When people have access to parks, they exercise more which improves health and reduce the risk of various diseases.
- Physical activity relieves symptoms of depression, anxiety, improves mood and enhances well-being.
- Open space and recreational areas increase the value of neighboring residential property.
